Dear Wrap Families,

As Supervisor of the Wrap Program, I would like to extend a warm welcome to our returning families and to the new families joining the Wrap Program!

I look forward to another exciting and productive school year. As in the past, our staff will continue to create a positive culture where all students can experience academic, social, and emotional success before and after school. The first few days of school may be a little stressful for your child due to the excitement of meeting new friends and being in a new environment. Additionally, new school guidelines and procedures may bring some anxiety and questions to your child. Please talk to your child about what he or she is to expect and help them soothe their anxiety by reassuring them that Wrap is a fun and safe place to be before and after school.

In order for a successful year, communication between you and the program is vital. Please be sure to notify us should your child be absent from aftercare by calling 732-556-2644 or emailing Mrs. Elizabeth Gray, Wrap Program Assistant Supervisor at egray@wallpublicschools.org. **Additionally, please send a note to your child's teacher stating their absence and how they are getting home that day.**

I wish you and your family a safe and wonderful 2024 - 2025 school year. I look forward to welcoming all of your students back on September 4th. If you have any questions or concerns, please reach out to me directly at 732-556-2604 or mshahhosein@wallpublicschools.org

Sincerely,

Mintaz Shah Hosein
