iCode
EMPOWERING FUTURE INNOVATORS

CODING CLUB

Central Elementary School // Grades 3rd-5th

Preparing students for success in today's tech-driven world.

REGISTER HERE!

Fueling a Passion for Tech & Innovation

iCode partners with school districts, private schools, and clubs to provide a comprehensive after-school STEAM program. Knowledgeable instructors help students to become comfortable with technology in a fun approach that enhances learning in math, science, engineering, and the arts.

Coding Camp

Each class involves an exciting, hands-on activity designed to teach a new skill! While the skills build upon each other, the program is structured to allow students to join at any time during the school year. Students will learn to code their own games using the programs Contsruct 3 and Roblox Studios.

Program Details:

- Block Coding and Roblox Game Design
- 4-week program
- January 8, 15, 22 & 29
- Wednesdays from 3:10- 4:15 pm
- Laptop Computers and equipment provided
- $100 per child - Meets weekly in the Library
