

Dear Kindergarten Families,

I want to share how proud I am of my Kindergarteners! Because of the very Wintery weather we have been having, they have had Indoor Recess for many days! 🤖 😊 They have been able to transition from playing to getting back to work seamlessly. The children clean up immediately and cooperatively! This is just one of the many reasons they earn their Good Choice Free Choice Reward Play!

Our Week's Focuses:

ELA-Letter & Sound (Qq, Zz), Super Words (is, make), Segmenting onset & rime, Isolating phonemes; Identifying the main topic of an information book, Ask & answer questions about key details
