Dear Parent(s)/Guardian(s) of Rising 6th and 9th Grade Students,

The Genesis Parent Portal will open shortly for parents to complete forms. To maintain accurate records and database information, families with rising 6th and 9th graders will need to provide updated residency confirmation to the WTPS School District. Please upload two current documents from the following lists into your Genesis Parent Portal. This residency update must be completed in order to view your child's 2024/25 class schedule.

One suggested item from the list below:

If you have any questions or need any assistance, please contact Kerrin McGowan at kmcgowan@wallpublicschools.org or 732-556-2658.
