Dr. Tracy Handerhan
Superintendent of Schools

January 2, 2025

Dear WTPS Community:

Happy New Year! At the December 17, 2024 Board of Education Business Meeting, the 2025-2026 School Calendar was approved. To review next year's school calendar [click here](#).

At the same meeting, the Board of Education made a necessary revision to the **current** year's school calendar. The change to the current year's school calendar is as follows:

- March 12 Early Dismissal Day for all students is changed to **March 27**
(March 12 is now a regular school day and March 27 is now an early dismissal day)
[Click here](#) for the **revised** 2024-2025 School Calendar.

The current school year calendar was approved last winter. Since last year's calendar approval, the NJDOE provided state testing dates. March 12 coincides with some of the District's state testing for students. This calendar change was made to ensure the best possible testing environment for all students. I apologize for any inconvenience.

Sincerely,

Tracy R. Handerhan, D.Litt.
Superintendent of Schools
